

Hamilton District Skills Centre

APPLIED DIGITAL TECHNOLOGIES (Gaming)

2023 ICT20120 – Certificate II in Applied digital technologies
1 year program

COURSE DESCRIPTION

The Certificate II in Applied digital technologies combines industry standard programming technologies and workflows to introduce you to coding and the skills required to develop video games. This is an excellent single-year option as students will obtain the full Certificate II qualification after successful completion of all units.

LOCATION

Hamilton District Skills Centre

RTO

Training assessment and accredited AQF certification will be provided by Academy of Interactive Entertainment:
National RTO code (TOID) 88021

DELIVERY -DAY & TIME

Tuesday 8.45am – 12.45pm

FUTURE PATHWAYS:

Upon completion of the VCE VET program, the Certificate can lead to Certificate III in Screen and Media and Diploma/Advanced Diploma.

VCE:

VCE students will be eligible for two units of credit towards their VCE at Units 1 and 2 level.

VCAL:

This Certificate will satisfy learning outcomes for the Industry Specific Skills and work related strands in the VCAL program.

WORK PLACEMENT:

A minimum of 10 days work placement is recommended by the VCAA.

ORIENTATION:

For students enrolling at the HDSC for the first time a compulsory Information Session will be held during their first session day in Term 1, 2023.

FEES APPLY: Please contact your school bursary office for further information

- **Uniform:**

Supplied: HDSC branded polo t-shirt and windcheater

Students to wear long black pants or shorts, and black enclosed shoes (no black jeans)

- **Selection Criteria:**

School VET Coordinator recommendation and online application/enrolment form to be completed. An Interview process with HDSC management and a school representative will occur for final acceptance. All accepted students will receive an acceptance letter in Term 4, 2022.
